

The Arboricultural Association's

2019 Student Arboriculture Conference

Northern Conference

at Myerscough College

1st November 2019

The second UK Conference for Arboriculture Students will be hosted by Myerscough College for the Northern event.

These events will be FREE for all AA Student Members and all Arboriculture Students. Morning lectures will offer young professionals the chance to delve into some fantastic CPD. The events will also give you an introduction to the work of the Arboricultural Association plus an exciting afternoon of in-depth demonstrations and industry exhibitors providing you with the latest technological updates, advice and expertise.

- Free for all Arboricultural Association Student Members and anyone studying Arboriculture
- Technical talks and updates from expert speakers

- Practical demonstrations
- Top industry exhibitors
- The latest technologies
- Advice and expertise
